

## **Immunization of Students**

No student is permitted to attend or continue to attend the charter school without meeting the legal requirements of immunization against disease unless the student has a valid exemption for health, religious, personal, or other reasons as provided by law.

Students who do not submit an up to date certificate of immunization or a written authorization signed by one parent/guardian requesting local health officials to administer the immunizations or a valid exemption will be suspended and/or expelled from school according to regulation JLCB-R.

All information distributed to parents/guardians by the charter school will inform them of their rights to seek an exemption for immunization requirements.
